partial canvass of many of these who have been prominent in the ranks of the insurgent Republican forces for the last two Congresses, but who are not officially members of the new Progressive party, showed to-day that the majority of them had not decided whether they would take part in the Progressive conference.

While the Progressives, as represented by Mr. Hinebaugh, have applied direct to Democratic Leader Underwood for recognition as a separate party in the distribution of committee places, the Progressive Republicans are still dependent upon the regular Republican organization, of which Representative Mann, of Illinois, is the leader. Chicago Company Wants Government
Contract Declared Void.
[Special to The Times-Dispatch.]
Washington, March 25.—The B. F.
Cummings Company, of Chicago, filed
suit in the District Supreme Court today against Postmaster-General Burleson, asking that the court prevent the award of contracts for canceling machines during the last days of the Taft administration from becoming effective. The court is further asked to declare the awards null and void. It is asserted by the plaintiff that the award means a loss of \$400,000, the amount which would have been saved if the contract had been given to the company. The statement is made that the plaintiff company was the lowest bidder for the contract, which was let February 17. An injunction restrain-ing Mr. Burleson from carrying out the

award is sought. Postmaster-General Burleson has refused to interfere in the matter, acbeing based on a letter received by the plaintiff from Daniel C. Roper, First Assistant Postmaster-General.
